

# SignUp Genius - Create Online Sign-up Lists

SignUp Genius is a free and easy way to create and organize online sign-up forms for all kinds of group activities. SignUp Genius creates a simple webpage on which people can sign-up for specific activities or events.

The sign-up sheet can be public or private. Once the sign-up list is created, the list of visitors can sign-up for the specific activity or event. Monitor the sign-up list as it is filled so visitors can quickly see which slots are already taken. SignUp Genius provides a myriad of themes and styles for sign-up sheets. The image below is a screen capture of the sample field trip sign-up sheet created on SignUp Genius.

The screenshot shows a sign-up page for a field trip. On the left is a colorful illustration of children playing in a park with a rainbow. On the right, the text reads: "Mr Byrne's Class FIELD TRIP TO FARM", "We need seven parents to chaperone our trip to the dairy farm. Chaperones get a free ice cream cone.", "DATE: 11/10/2010 (Wed 7:30AM - 3:00PM)", "LOCATION: school", and "CREATED BY: Richard Byrne CONTACT ME". Below this is a table with a green header "Available Slot" and seven rows, each with "Chaperone" and a "Sign Up" button.
