New Business (Eve)

- 1st Day School Supplies
 - The updated teacher lists for each grade have been submitted to the company. They will make the updates to the list and provide back for our review by early April.
- Memory Bricks
 - The order arrived and has been put in storage at this time. The current bricks that are out on campus have netting around them to protect them until they are removed for storage during construction.
- Carnival –
 - Carnival will be 11 – 3.
 - Raffle baskets continue to arrive and will be selling tickets in the cafeteria through Friday afternoon. We have 46 baskets and 56 silent auction items.
 - Presales have been busy with \$3300 collected which puts the PTO in the plus already.

- There will be a passport for kids to take around to each booth – once they have marked off 15 booths they can return the passport for a chance to win a telescope/microscope set.
- For the silent auction, participants must be present at 3:00 to claim their prize. The Raffle baskets will be done at 2:30 but you do not have to be present to win.
- 2019 – 2020 PTO Board Positions
 - Information will be sent home in April on the positions. Additionally, the information will be added to the school newsletter.
